DAY 2: TUESDAY

AM: BARTOLOME + PM: BARTOLOME POINT: COUSIN ROCK

Bartolome Island. You will ascend to admire the spectacular panorama of Sullivan Bay and the famous Pinnacle Rock. The beaches at the foot of Pinnacle Rock are excellent for snorkeling and for discovering the marvelous Galapagos underwater world.

🚩 **1 to 2 Dives Bartolomé - Cousin Rock:** You will have the opportunity of have a great snorkel experience. The overhangs from some of the steps are favorite places of the white tipped reef sharks, green sea turtles and large moray eels, as well as octopi. Schools of barracuda and other reef fish can also be seen at these sites. Manta rays and hammerheads can often be seen off the steps in the blue. (B, L, D)

DAY 3: WEDNESDAY

AM: SANTIAGO ISLAND - JAMES BAY + PM: ALBANY ROCK

James Bay is located on the Northwest coast of Santiago Island. James Bay is a black lava seashore that was an explored by Charles Darwin during his visit in 1835. This is a good place for observing sharks, puffers, scorpionfish and seahorses, since there is a depth here that ranges from 8 – 18 meters (25 – 60 feet).

🚩 **1 to 2 Dives Albany Rock:** is located off the Northwest Point of Santiago. A good place to encounter Galapagos Sea Lions and pelagic. (B, L, D)

DAY 4: THURSDAY

AM: CHINESE HAT + PM: PINZON ISLAND – DUMB ISLET

🚩 **Chinese Hat:** Chinese hat is a tiny Island just off the southeastern tip of Santiago Island is less than a quarter of 1 sq. km in size. It is a fairly recent volcanic cone, which accounts for its descriptive name; it has the shape of a down-facing Chinese hat. The hat shape is best appreciated from the north side. Opposite Sombrero Chino, on the rocky shoreline of nearby Santiago, Galapagos penguins are often seen. A 400 m. Trail goes around the cove and through a sea lion colony - marine iguanas cover the landscape. The volcanic scenery is attractive, and there are good views of the cone. There are snorkeling and swimming opportunities in the cove.

Pinzon Island – Dumb Islet is a tiny rock outcropping off the northeast tip of Isla Pinzon, where we can practice snorkel. (B, L, D)
